The Complaint alleges a violation of 49-7A, in general, when Respondent did not request locate tickets for multiple addresses along the above-mentioned avenues when replacing trees. Claimant alleges that gas mains and/or service lines are in close proximity to the project areas.

A copy of the Complaint was sent to Respondent on July 5, 2022. The deadline to respond was July 26, 2022. Respondent answered the Complaint on July 9, 2022. Respondent does not dispute that a violation of South Dakota One Call law occurred. Respondent alleges they always call in locates and it was a simple oversight on their part.

On August 16, 2022, the Enforcement Panel (herein "Panel") convened pursuant to the authority present in SDCL 49-7A. The Panel needs more information from the Claimant in regard to specific statute(s) that were violated. It is the responsibility of the Claimant to name specific statute(s) for the Panel and Board to review. Therefore, the Panel recommends the Complaint be dismissed and that Claimant have an opportunity to submit a new Complaint with more specific statute(s) listed.

The Panel recommends the South Dakota One Call Notification Board accept its findings and recommendations herein. If either party to this Complaint disagrees or objects to the recommendations or findings herein, a hearing may be requested. To request a hearing, a party

must reply within twenty (20) days from the date of service of this notice. Failure to request a hearing is considered acceptance of the recommendations and findings herein.
