DC 24-023

Executive Director

SD One Call Notification Board

Gerhold Brothers, Inc. held a meeting on Monday, January 27th, 2025, at 8:00 A.M., regarding the SD One Call laws.

We discussed the essence of the 811 call system. There was discussion on what was needed to be done, if we would ever happen to cut another gas line. We talked about not going by what the property owner tells us (that there is nothing there), but to call in a locate to make sure.

The meeting was adjourned at 8:25 A.M.

Sincerely,

Gerhold Brothers – Dave
